

A view of Poblenou Athletes Olympic Village: in 1986 (with railways tracks and without beaches) and in 1992 (with 2.200 flats and free beaches). And 2000 more in other 4 decentralized locations. Total: 4.200 flats

This picture, like a TV spot, produced important benefits to the city, as the innovative and daring design of Olympic mascot did

View of the North Ring Road. 40Km in total
